

Save the Children is the U.K's leading international children's charity. We work in this country as well as overseas helping children who suffer from poverty, disease, injustice and violence.

This year the money we have raised has, amongst other projects, gone towards disasters in Afghanistan and Haiti. Emergency relief runs alongside long-term development and prevention work to help children and their families to be self-sufficient. In the UK we also work with children who have been excluded from school, helping them back into education.

Members of the Chelsea and Westminster Branch have been working together, some of them for almost 60 years, on fund-raising projects within the area, including concerts, talks, sales and, of course, the Christmas Cocktail. If you would like more information, or to be included on our mailing list, or are interested in sponsoring any of our events, please send back the form overleaf with your name and address filled in. If you have any further enquiries, please telephone or email the Secretary on 020 7736 3817 / [luguthrie@hotmail.co.uk](mailto:luguthrie@hotmail.co.uk)
